Process

The *Swisscubing Cup 2019* is divided into two phases: the qualification and the final.

Qualification

The five competitions before the final are the qualification. In the qualification phase competitors gain points, and the best 12 competitors qualify to the final.

Final

In the Swisscubing Cup Final 2019 the best 12 competitors compete to win the title.

If somebody from top-12 can't compete, the next competitor will replace them.

Since the final is also a WCA competition, everybody is allowed to compete, but only the finalists can win prizes.

Events

A *Swisscubing Cup 2019* qualification competition consists of 8 basic events and 2 special events. The basic events will be held at every competition, the special events will be held only at one of the 5 qualification competitions and once in the final.

Basic events (will be held at every competition)

- 2x2
- 3x3
- 3x3 OH
- 3x3 BLD
- 4x4
- 5x5
- Pyraminx
- Skewb

Special events (once in qualification / once in the final)

- 6x6
- 7x7
- Clock
- Square-1
- Megaminx
- 4BLD
- 5BLD
- MBLD
- FMC
- 3x3 Feet

Number of rounds

Qualification

At the qualification competitions there will be 2 rounds of every event (regardless of whether it is a main or a special event). The following events are the exceptions:

- 3x3 (3 rounds per competition)
- MBLD (3 attempts)
- 5BLD (3 attempts)
- 4BLD (3 attempts)
- FMC (3 attempts)

Final

In the final there will be one round of every event.

Ranking

Points

Place	1.	2.	3.	4.	5.	6.	7.	8.	9.	10.
Points	25	18	15	12	10	8	6	4	2	1

The decisive placement is the one in the **last round** of the event.

A top-10 placement with a DNF result won't give any points.

Example: 6th place in 5BLD with DNF → 0 points.

Multiplicator

Qualification

Event	Multiplicator
Main event	x1.0
3x3	x1.5
Special event	x2.0

Example: 4th place in 3x3 → 12 points x 1.5 = 18 points

Example: 7th place in Square-1 → 6 points x 2.0 = 12 points

Final

Event	Multiplicator
All events	x1.0
